Enclosure No. (4 Petns)

Sir,

I am directed to forward herewith the marginally noted 4 petns received by me at Closepet, when last I had gone there on a tour of inspection.

2 In the first of the above petns, the petnrs complain that the interest on the Pudivat amount of Rs 1000/- deposited by them for the celebration of the Ramadevaru Pattabhisheka and Hanumanta Jayanti at Kasba Closepet, has fallen in to arrears, and consequently the celebrations are not being properly conducted, and pray that —

The last is a petn from Ranjappa, Archak of the Sri Ramadevaru temple, who states that the interest on the amount deposited by Slave Gowda for Dharmadarshane of the temple is not being collected for the past 3 years, and that he has been, under the orders of the Dharmadarshi of the Mysore Bank incurring the said expenditure from his own private funds. He makes similar complaints regarding the amounts deposited by Mariamma, Bheemappa & others.

3. In these circs, I am to request that you will be so good as to instruct the Amildar of Closepet to examine the accounts carefully and submit a detailed report on the above and on other similar items of Pudivat funds of the temples, together with your considered opinion as to how you would propose to rectify the irregularities and redress the grievances. A very early reply is requested.

I have &c,

the for timely collection of the interest

In the second petn, Sanjeevappa roy

Jetty states that he has deposited

a sum of Rs 150/- for celebrating the

Garudotsava in the Sri Ramadevaru

temple during the month of Jyeshta

every year, but that the interest

thereon is not being properly realised

for the past 2 or 3 years. He makes

a similar complaint regarding

Rs 25/- alleged to have been deposited

by him for the remuneration of the

pipers, doing service in the Sri Anjaneya

temple in the place.

Petr. Narasegowda states

that the sum of Rs 100/- deposited by him

for the celebration of Utsavam to the

Sri Ramadevaru temple on the

Ashada Suddha Dwadasi every year

may be ordered to be given back

to him, instead of the same being

invested in the Govt Savings Bank,

so that with the enhanced interest

at the rate of 12 per cent per

annum, which he is prepared to pay

thereon, the said services may be properly conducted.
